## **Report and financial statements for the year ended 31 March 2020**

---

The directors present their report together with the audited financial statements for the year ended 31 March 2020.

### **Directors' responsibilities**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Cottsbury Homes Limited

## Report and financial statements for the year ended 31 March 2020

---

### **Auditor**

All the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the company's auditor for the purposes of its audit and to establish that the auditor is aware of that information. The directors are not aware of any relevant audit information of which the auditor is unaware.

In preparing this directors' report advantage has been taken of the small companies' exemption provided by section 415A of the Companies Act 2006.

### **By order of the Board**

A handwritten signature in blue ink, appearing to read 'Diane Hall', is written over a light blue rectangular background.

## **INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF COTTSBURY HOMES LIMITED**

### **Opinion**

We have audited the financial statements of Cottsbury Homes Limited ("the Company") for the year ended 31 March 2020 which comprise Statement of comprehensive income, Statement of financial position, and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

## **Cottsbury Homes Limited**

### **INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF COTTSBURY HOMES LIMITED (CONTINUED)**

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

## **Cottsbury Homes Limited**

### **INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF COTTSBURY HOMES LIMITED (continued)**

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a Strategic report.

#### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Cottsbury Homes Limited

### **INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF COTTSBURY HOMES LIMITED (continued)**

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at:

<https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 11 to 15 form part of these financial statements

# **Cottsbury Homes Limited**

## **Notes forming part of the financial statements for the year ended 31 March 2020**

### **1. Accounting policies**

Cottsbury Homes Limited is a private company limited by shares incorporated in England and Wales under Companies Act 2006. The address of the registered office is Bryer Ash Business Park, Bradford Road, Trowbridge, BA14 8RT. The nature of the company's operations is the development and sale of houses for the open market. There was no activity during the year.

The financial statements have been prepared under the historical cost convention and in accordance with section 1A of FRS102, the Financial Reporting Standard applicable in the UK and Republic of Ireland and Companies Act 2006

The following principal accounting policies have been applied:

#### **Turnover**

Turnover principally arises from the sale of properties and land. Turnover comprises the fair value of consideration received or receivable, exclusive of value added tax, and is recognised at legal completion.

#### **Qualifying Charitable Donations**

The company is a subsidiary of a charitable registered provider of social housing and intends to make qualifying charitable donations of an amount equal to the taxable profits to charities within the Selwood Housing Group within nine months of the year end in each financial year. As these amounts represent distributions they are recognised in the company's reserves in the year in which they are declared. In respect of the taxable profits of the current year, this distribution will be presented in the financial statements of the following period as it was not declared before the year end.

No tax charge or liability have been recognised in relation to the taxable profits as it is the directors' expectation that a gift aid payment will be made to the company's parent within nine months of the year end.

# **Cottsbury Homes Limited**

## **Notes forming part of the financial statements for the year ended 31 March 2020 continued**

### **Accounting policies (continued)**

#### **Cash and cash equivalents**

Cash and cash equivalents consists of cash at bank and deposits with an original maturity of 32 days or less.

#### **Financial instruments**

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties and loans to related parties.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an outright short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the reporting date.

# Cottsbury Homes Limited

## Notes forming part of the financial statements for the year ended 31 March 2020 continued

### Accounting policies (continued)

Financial assets and liabilities are offset, and the net amount reported in the statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### 2. Judgments in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the directors have had to make the following judgments:

- The company values stock at the lower of cost and net realisable value. The net realisable value is based on the estimated selling price for a property less the estimated costs to complete. These estimates are made based on the Selwood Housing group's experience of the local housing market and other development projects. Where there are indications that sales amounts will be lower than initially expected or that unbudgeted costs will be incurred, a provision may be required against stocks.

### 3. Employees and directors' remuneration

The company does not directly employ staff and the directors received no remuneration from the company during the year (2019: nil). The directors of the company were remunerated solely by Selwood Housing Society Limited, the company's parent.

### 4. Taxation on profit from ordinary activities
